

Mini Square White LED Wall Washer

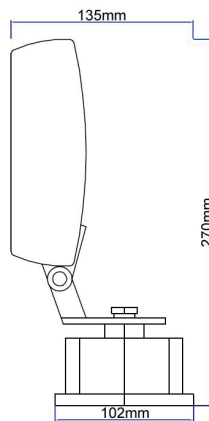

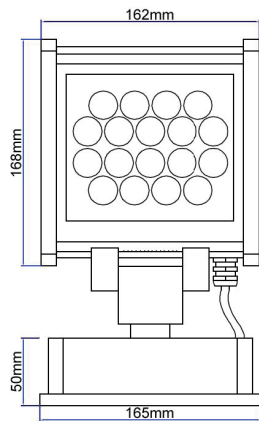

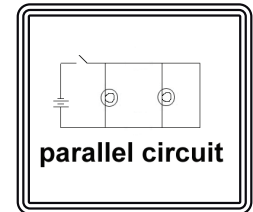

Our LED Wall Washers utilises the very best in LED lighting technology to provide a high-quality fitting suitable for a wide variety of applications. It uses American manufactured Luxeon LEDs for superior light output and colour consistency.

The durable aluminium housing provides provides great physical protection and also incorporates a ridge on its back to allow for the mounting brackets to be clamped onto it. The mounting brackets are able to be tilted to different angles to suit each application. Each fitting also incorporates 5mm toughened glass for added protection.

Technical Specifications

Product Description	Mini Square LED Wall Washer
Height	270mm
Width	135mm
Length	162mm
LED Quantity	18 x High powered LED's
IP Rating	IP 65
Supply Voltage	240VDC (White) 24VDC (RGB)
Power Consumption	22W
Beam Angle	120°
Connection Type	Parellel
LED LifeSpan	80,000 hours
Dimmable	Yes (RGB Only)
Luminous Flux (lm)	White 900lm Warm white 720lm Red 720lm ,Green 1260lm ,Blue 360lm
